State-of-the-Art

School Flashers Bolster Safety for Kids

The City of Evans installed new school flashers at three elementary schools ahead of the 2018-19 school year

Evans, CO--Brand new, state-of-the-art school flashers have been installed on 37th Street, in front of Centennial Elementary, and on 34th Street in front of Chappelow and Dos Rios Middle Schools. The flashers are a proactive safety measure taken by the City of Evans and its Police Department ahead of the 2018-19 school year. The flashers strengthen the security of children crossing the street before and after school. They also assist drivers by providing a fluid stop-and-go routine on both streets.

"They won't be hard-wired any longer," Leon Blasco, Utility Locator and Construction Inspector for the City of Evans, said. "We'll have a better signal coming out here. We've been looking forward to this for a long time."

The flashers are solar-powered, decreasing the likelihood of an electrical outage during bad weather. Additionally, the units can be operated from within the City of Evans Community Building, allowing City staff to operate them from a remote location during turbulent weather. The advanced technology also expedites the city's ability to troubleshoot mechanical issues.

"To have it be a wireless system, to be able to program it from the office and send a signal out to the school zones without having to come out into the cold weather and work on the boxes or change any systems because of a power outage. It's a consistent flashing zone, without any interference or power outages or anything like that."

The city is planning to retrofit the solar flashers at Union Colony Elementary during the 2018-19 school year.

Open House a Hit at the Waste Water Treatment Plant

EVANS, CO—City Manager Jim Becklenberg said it best: "It's not sexy, but it's necessary."

Mr. Becklenberg made the room chuckle at a Town Hall Meeting with that statement. He was referring to Evans' brand-new, state-of-the-art Waste Water Treatment Plant. While everyone in the room found the humor in it, Mr. Becklenberg used the opportunity to illustrate how crucial the facility is to the people of Evans and to invite the residents to take a tour of it.

Nearly 50 residents took the City Manager up on his invitation. On a Saturday morning in mid-August, the City opened the gates to the \$43-million-dollar infrastructure project and showed-off a facility that will serve them for decades to come.

"With this, we have room for expansion out till 2035," Robby Porsch, Waste Water Treatment Plant Assistant Superintendent, said. "We can bring more residents in. We can have more residents here. We can bring more businesses here, because we have the Waste Water Treatment Facilities to handle that growth."

Many Evans' residents remember a no-flush order during the flood of 2013. That decision fueled the need for the new facility that's equipped to handle the population boom in Northern Colorado.

"It improves the community. It provides for future growth. Our old facilities were capped out and even over-their-limit as far as flow and organic flowing."

What goes in, must come out, and in the case of the Waste Water Treatment Plant, the water exits into the South Platte River. The new facility is also equipped to sterilize Waste Water with high efficiency. It not only meets Colorado's water quality standards, but it exceeds them.

"This is a necessity to help maintain river quality and improve river quality. That's the best thing about this facility. We can make the water even cleaner than we did before and we're improving the river quality for generations in the future," Porsch said.

Residents toured the largest infrastructure project in Evans' history

2018 Citizens Police Academy

The Evans Police Department is pleased to announce our Fall 2018 Citizens Police Academy. The nine-week academy will run September 6 through November 1, 2018, with classes held on Thursday evenings from 6:00 pm to 9:00 pm. Additionally, we will offer a Saturday morning class, October 6 from 9:00 am to 1:00 pm, at the range which will include firearms and less lethal shotguns.

The Citizens Police Academy promotes community partnerships and is designed to familiarize participants with the day-to-day operations of the police department. Participants will attend lectures on topics such as crime scene investigations, traffic enforcement, accident investigation, gangs, SWAT, narcotics, building searches, less lethal force, and human trafficking.

The program is free of charge. Seating is limited to 25 participants and you must be at least 18 years of age to participate. A background check will be completed on applicants prior to acceptance. Applications can be obtained at the Evans Police Department front desk during regular business hours, Monday through Friday between 8:00 am and 5:00 pm, or by contacting Officer Teresa McClatchey at 970-590-1504 tmclatchey@evanscolorado.gov.

Labor Day Closure City offices and Recreation Center closed all day. If you have an emergency, please dial 911. You can also contact the city through email: info@evanscolorado.gov.

Construction begins on 34th Street Neighborhood Park

A beautiful, new park will take shape at 34th street and 15th Avenue. The City of Evans will begin construction on a new, passive park in September. Longtime Evans' residents will remember that location as the old Municipal Pool—a facility that stood until 2015.

The new park will feature a variety of amenities:

- Wooden Shade Trellis
- Passive Recreation Turf Areas
- Meandering Loop Trail
- Off-Street Parking Area
- Possible Future Restroom Building
- Possible Future Playground
- Additional Trees and Screening

The Highway 85 Visioning Project has six areas of focus:

- Access & Connectivity for all modes
- Roles as Community Hub & Gateway to the rest of Evans
- Redevelopment / Economic Feasibility
- Beautification & Wayfinding
- Transportation & Storm Drainage
- Governance (Policies, Zoning, and Implementation Strategies)

Residents may submit Ideas and suggestions to any of the City of Evans social media accounts. Or, residents may email the City of Evans: info@evanscolorado.gov.
